Situated in said county, to-wit, and known as the one-half undivided interest in, to and concerning the following described premises and known as being lot No. One (1) of Samuel Weir's first plat in said Township of Youngstown, Mahoning County, Ohio, which plat is recorded in Vol. No. 9 at page 13, Mahoning County records of maps. ### JUDGE FOR YOURSELF

Which is Better—Try an Experiment or Profit by a Canfield Citizen's Experience.

Something new is an experiment. Must be proved to be as represented.

The statement of a manufacturer is not convincing proof of merit.

But the endorsement of friends is. Now supposing you had a bad back, a lame, weak, or aching one. Would you experiment on it?

You will read of many so-called cures.

Endorsed by strangers from far-away places.

It's different when the endorsement comes from home.

Easy to prove local testimony. Read this Canfield case:

Homer Mentzer, Canfield, Ohio, says: "I had bad pains in my back and I got worse. As Doan's Kidney Pills had been highly recommended, I got them and one box was all that I needed to cure me. I can highly recommend Doan's Kidney Pills to be just as advertised."

Price 50c at all dealers. Don't simply ask for a kidney remedy
